I'm sure that's no problem. We can provide up to three 20 amp, 120 volt circuits, chairs or music stands if they need them. What times - set up to strike?

Marco - please let me know if they need anything else.

They are. I wanted to put the small entertainment area in front of the Warner Grand. Would that be ok? I'm putting the food court at 6th & Mesa.

Can you accommodate that request?

What is your lineup of performers? Where are they performing (on the street? at the 6th & Mesa space?)? Do you have tech riders from the acts?

I think I may have misunderstood - I thought Grand Vision is producing the street event.
